We operate in 5 continents and over 80 countries with a production of 111 million bottles (2020).

PRODUCT NOTES

This sparkling wine is elaborated with the traditional champagne technique with a second fermentation in the bottle, which gives it a more persistent and fine foam. The nose opens with scents of candied rose petals and peach juice. Intense notes of muscat grapes. The mouth stands out with a balance balanced by an important vivacity that brings relief through sweetness. A long, racy and greedy finish.
