#### ABOUT THIS WINERY

Experience and modernity meet in this corner of Abruzzo. Near the ancient village of Caldari, in the spectacular nature, the magic of the Cantine Agriverde bio is born since 1991. The organic farming methods allow to develop a sustainable model, based on the principles of preservation, valorization of resources, respect for the environment and the health of consumers. This balance is necessary for the development of a strong vineyard, which produces healthy, balanced and rich grapes.

#### PRODUCT NOTES

Stainless steel tanks. Aging in bottle at controlled temperature. Fine and fruity, with scents of peache, sage, broom flower and hawthorn;

scents of balsamic herbs creating a beautiful herbaceous note. Fresh; good structure, excellent aromatic correspondence; great balance; medium-bodied, persitent, with a pleasant slightly bitter finish.
