ABOUT THIS WINERY

Enoitalia is leader of Italian wine globally with 80% of its production being exported. Our project started in 1986 in Italy, and has expanded globally under the management of Giorgio Pizzolo and his three brothers Giuliano, Augusto and Floriano. We operate in 5 continents and over 80 countries with a production of 111 million bottles (2020).

PRODUCT NOTES

After the harvest, a delicate pressing is done to preserve the noble part of the grapes. The traditional fermentation process is shortened to preserve the natural sugars and aromas. A rigorous control of the fermentation temperatures is carried out. Tender and characterful nose with rich and exotic scents. Aromas of orange peel and honeydew melon, but you will also get a freshness and natural sweetness.
