ABOUT THIS WINERY

Peelee Island is home to our 700+ acre farm in Canada's hottest grape growing region, with a history of winemaking that goes back over 150 years. Come explore our diverse selection of approachable wines, made for the most important people in the world: our customers. We pride ourselves on consistently producing exceptional wines in an environmentally responsible manner.

PRODUCT NOTES

Classic vinification in stainless steel vats under temperature control (17-19 °C) for a period of 10 to 20 days. Aging in vats for a few weeks. The components of the wine must be perfectly amalgamated before bottling. 50% undergoes malolactic and 50% does not. The nose is exotic with honeydew melon and golden apple, yellow fruit, beeswax and apple flavors.
