#### ABOUT THIS WINERY

Venturing out, we looked for a "terroir" where we could freely express our passion. Attracted by the beauty of the landscape, I discovered an incredible potential in the Maipo Valley. The dream came true, the vineyard was planted in 2008 with strict French quality control. In 2011 we designed our functional and distinct winery, the small volumes allow us to work with different qualities and types of wines.

#### PRODUCT NOTES

Traditional vinification with temperature control where temperatures are between 15 and 18 C in order to delicately extract the fine and delicate aromas of Chardonnay. Aged in concrete vats for 8 months in order to keep all the freshness of the grape variety. The nose is fine and pleasant expressing notes of pear and hawthorn. Scents of peach and yellow apple. Round and supple, with a freshness that makes you salivate.
