#### ABOUT THIS WINERY

Located in Landete, Cuenca between three provinces: Valencia, Cuenca and Teruel. Our philosophy is to make quality wines and therefore quality grapes. We take care of everything: the vineyard, the plantation, choosing the varieties, the vines and the clones most suitable for our climate and each type of soil. The wine comes from the grape, but the altitude and the soil are essential for the final result: wines with their own personality.

#### PRODUCT NOTES

Hand-harvested in 12 kg crates. Spontaneous alcoholic fermentation, with contact between juice and skins for 12 hours.

Aged on lees for 8 months in stainless steel vats, stirring the lees twice a week. Natural sedimentation in vats throughout winter.

Brilliant pale gold color. Springtime nose of white flowers and roses. More structured than a classic dry Muscat. Good acidity and freshness, seductive finish.
