ABOUT THIS WINERY

We are unconditionally committed to our origins and to sustainable organic farming.

For centuries, winegrowing in northern Burgenland has been closely linked to the name Esterhazy. Over the course of time, we have undergone profound changes that have left their mark on us. Today, we appreciate the resulting diversity. On the shell limestone and micaschist we produce fresh, modern and tense wines with a clear Esterhazy signature.

PRODUCT NOTES

Manual harvesting, classic fermentation at low controlled temperature in stainless steel tanks. The wine is also aged in stainless steel vats to preserve all of its aromatic and coloring components. The wine must remain pure and offer a maximum of fruitiness and freshness.

Sharp aromas of fresh fruit (apple, pear, grapefruit). Lively acidity. The finish is long, fresh and tasty. In retro-olfaction, some floral and even mineral notes.
