	Sugar content	1.2
	Closure type	Cork

ABOUT THIS WINERY

Winegrowers from father to son since 1577, the two sons work on the 40ha estate located in Saint Bris Le Vineux.

Very well exposed, the vines are located on different stony and sloping clay-limestone slopes mainly in Saint Bris le Vineux, cote d'Auxerre, Chablis. The various works of vineyards as well as the care of the wines are carried out in family. The SORIN-DEFrance estate only markets its production.

PRODUCT NOTES

The vines are mulched (covered with a carpet of plants more or less thick, more or less sophisticated) entirely to avoid the flow of soil, water evaporation, weeds ... Vinification in stainless steel tanks with temperature control. Maturation in stainless steel tanks as well. Delicate nose with accents of pink grapefruit. There are also dominant odors of limestone and blackcurrant buds. Citrus flavors with minerality.
