#### ABOUT THIS WINERY

Concepts S.A. is a trade & marketing company established in 2001, by high ranking officers of multinational companies with vast experience in introducing & opening new categories in the premium food & beverage segments. Our expertise is building international brands within the On and Off Premise segment in Greece, as well as developing our own award-winning brands and distributing all around the world.

#### PRODUCT NOTES

From the Mastiha gum and fine alcohol, a distillation is carried out to extract the fine fragrance. This is followed by a blend of mineral water and sugar to produce a tasty and delicate white brandy. Clear as a bell, Skinos expresses a great aromatic finesse and a taste that is both soft and sweet. Its texture is caressing, velvety and the finish is long and subtly mentholated.
