ABOUT THIS WINERY

Casa Santos Lima is a family business dedicated to the production, bottling and sale of Portuguese wines. The company is present in the regions of Lisbon, Algarve, Alentejo, Vinho Verde and Douro. Its wines are known for their excellent quality/price ratio and about 90% of its total production is exported to more than 50 countries.

PRODUCT NOTES

The grapes were destemmed followed by the pressing process with exclusive use of free run juice. The fermentation occurred with temperature control between 12° C - 14° C. With a floral personality, this wine stands out for its freshness, balanced acidity and elegant fruity notes with excellent balance and persistence. With a good structure it is smooth and has an excellent aftertaste.
