#### ABOUT THIS WINERY

As a child and young teenager the fields and lanes of the family estate, Casale del Giglio, were nothing more to Antonio Santarelli than a place where he could spend carefree weekends; but all changed when he joined his father Dino in the family business. By then, he knew instinctively that their unconventional land in the Agro Pontino valley, some 50 kms south of Rome, offered a unique opportunity to attempt something no-one had ever attempted.
