ABOUT THIS WINERY

The philosophy that characterizes the Tsililis family is the respect for the uniqueness and diversity of each region, every corner of the Greek land which has their own special treasures.

Through a thorough and mysterious discovery process of our country, we envision the revival of the historic vineyard of Meteora, the qualitative development and the enhancement of local wine and distillation culture.

PRODUCT NOTES

Controlled fermentation and aging of organically grown grapes in French and American oak barriques for 12 months.

Fruity aromas of blackberry, plum and sour cherry. Spicy aromas of black pepper, cloves. Sweet aromas of chocolate, caramel and nuts. Full, round body with balanced acidity and rich, velvet tannins.
