PRODUCT NOTES

The grapes are destemmed and sorted, a short maceration of 7 days under control of the fermentation temperatures with short pumping over several times a day for a soft extraction. In order to privilege the fruit, this wine is vinified, aged and bottled without the addition of sulfites, without fining and without filtration. Wine vinified without any input other than yeast. Fruity wine with a complex and slightly structured mouth. The finish combines roundness and citrus notes.
