ABOUT THIS WINERY

It is a land of French bell towers planted in the charming folds of the hillsides of rural Burgundy that run along the Serein, the clear river of the Chablis miracle. The Garnier brothers are settled in Ligny-le-Châtel. With their desire and passion for wine, they cross the terroirs of Petit-Chablis, Chablis on 25 hectares and then the creative geologies of the crus, the first and the great ones from which they select the best of the fruits.

TASTING NOTES

"The 2020 vintage effect: Inhabited by a golden light with silvery reflections, this little-known terroir on the left bank of the Serein brings forth fragrances of water flowers (lily, water lily...) that flicker in the glass. With its dry, stony Kimmeridgian structure, it's already tasting well. Even if it will be better in two winters.

PRODUCT NOTES

Born on the left bank of the Serein, comes from a purchase of grapes. Aged on lees. 18 months (12 months in demi-muids and 6 months in stainless steel tanks).
