#### ABOUT THIS WINERY

Many people ask why Château Musar's winery is more than a two and a half hour drive from the vineyards in the Bekaa Valley. When Gaston Hochar began making wine in 1930, the boundaries of Lebanon had not been set, and he wanted to ensure that his premises would be inside the newly demarcated country.

#### PRODUCT NOTES

Château Musar white 2008 has an intense golden color. On the nose, complex aromas of orange peel, peach blossom, lemon and pear can be detected. On the palate, the wine emanates notes of stone fruits with a return to orange zest, all enhanced by the charming scent of toasted almond. Through its fat and smooth texture, it is supported by a fresh acidity and an impressive length ending on an aroma of beeswax.
