ABOUT THIS WINERY

Our sustainable approach: A group of winemakers, actors in their environment. We take care to ask ourselves the right questions so that our work is in line with nature. And this at all levels. Our approach also includes the logic of short circuits, the energy transition of our buildings and our equipment. Committed, our winegrowers are all HVE (High Environmental Value) certified.

PRODUCT NOTES

Intense and deep color. The fresh fruit dominates this blend where subtle notes of spices and toasts extend pleasantly the olfactory pleasure. The palate is harmoniously fruity. A greedy Médoc wine to be enjoyed on its youth.
