ABOUT THIS WINERY

In 2006, when they acquired Château Romanin, Anne-Marie and Jean-Louis Charmolüe were driven by an energy as strong as the one that runs through the site's undoubted potential. They aspired to take up a double challenge: to write a new chapter in the history of the estate and to produce exceptional wines. The couple then embarked on a path that combined the precision and the demands of the great estates.

PRODUCT NOTES

Manual harvesting then cooled in a cold room (10°C approximately) during 24 hours. Manual sorting of the grapes. Long pressing in whole bunches. Natural settling at 10°C and alcoholic fermentation between 18 and 20°C in stainless steel tanks. Blocking of malolactic fermentation. Aging on fine lees for 5 months in stainless steel tanks with stirring operations. The nose is evocative of red and white fruits: raspberry, white peach with mentholated scents.
