#### ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

#### PRODUCT NOTES

Fiston is built on the basis of Cinsault en Terre IGP. This new IGP covers the whole of the Aude, Hérault and Gard departments. More floral, fresher and less powerful than Les Darons, it is as authentic an expression of the wines of the Midi as Les Darons are.
