ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

The color is between salmon pink and tea-pink, with scattered bubbles.

The nose is on candied red berries and spices.

The mouth is on summer fruits, slender and round while the bubbles crackle finely while caressing the tongue.

The finish remains tense, highlighted by red fruits and orange peel, with a slight bitterness.
