ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

Since 1857 in this house we made wine. Neglected for the last 30 years, we invested this place in 2017 to make wine again! With this vintage we continue this wine history started more than 160 years ago. A powerful nose of red fruits elegantly mixed with sweet spices and mocha. The brilliant and deep color sets the tone of the mouth, where tannin and roundness dancing with al freshness, raising a thickness and a remarkable length.
