#### ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

#### PRODUCT NOTES

Granite in mille-feuille, warm and salty, Syrah and Carignan dancing under the Canigou. Bewitching. The nose is rich with notes of candied black fruits, spices, with a touch of coffee and a square of dark chocolate. The mouth is spherical, very ample, with a fleshy and velvety matter. The whole is balanced. The finish is firmer with powerful and ripe tannins.
