ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

An expressive nose, aromas of yellow and exotic fruits with a touch of green citrus and ginger that brings freshness.

The mouth is slender, coated by a ripe matter which draws towards the delicacy, the sugar in less. The finish is intense, tonic with the return of pineapple and ginger.
