ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

Hand picked and the two grape varieties are vinified separately. Destemmed, crushed and blended with a small proportion of whole grapes. Then the grapes macerate with the juice until fermentation. The grapes are then decanted and pressed. The press juices and the run-offs are then blended. The nose expresses notes of stewed black fruits and cocoa. In mouth, the wine is round, generous, quite dry + black fruits and spices.
