ABOUT THIS WINERY

Covering 46 hectares, our vines occupy an extraordinary range of superior terroirs along the three river valleys that we call home – the Mosel, Saar and Ruwer. Expressing the individuality and personality of these unique terroirs as effectively and tangibly as possible is what matters more than anything else.

PRODUCT NOTES

All wines are fermented with indigenous yeasts at low temperatures. Scent of lime, pineapple and lemongrass. Its mouthfeel with a touch of minerality wrapped in lots of citrus and a pleasantly tangible acidity. Smooth and filigreed, this is an attractive wine that keeps its freshness from start to finish. Light black currant aromas in the aftertaste complete the wine's flavor profile.
