ABOUT THIS WINERY

Located in Landete, Cuenca between three provinces: Valencia, Cuenca and Teruel. Our philosophy is to make quality wines and therefore quality grapes. We take care of everything: the vineyard, the plantation, choosing the varieties, the vines and the clones most suitable for our climate and each type of soil. The wine comes from the grape, but the altitude and the soil are essential for the final result: wines with their own personality.

PRODUCT NOTES

Maceration for 2/3 weeks with temperature control.

Alcoholic fermentation is spontaneous (no yeast is added).

The aging is 50% about 12months in oak barrels of 300 liters and 50% in containers of Terracota. Floral and wild berry nose, vibrant red, mineral touch, light smoky and pastry notes. Well-defined mouthfeel with clean fruit. It's a fresh wine but has good body with a sweet, soft mouthfeel. It is long with a fruity and balsamic aftertaste.
