ABOUT THIS WINERY

The southern vineyards of Cellier des Dauphins stretch from the southeast of the Rhone Valley to the foot of Mont Ventoux. On these sun-drenched terroirs, cradled by the Mistral wind, are cultivated the king grape varieties of the Côtes du Rhône such as Syrah, Grenache, Viognier and many others typical of the region. We make the most of this diversity to produce aromatic and complex wines.

PRODUCT NOTES

Vinification carried out traditionally with a vatting period of 8 days. The grape harvest carries out its alcoholic fermentation under marc. Then the wine is drained from the vat and gently pressed. The wine undergoes malolactic fermentation, is then racked and matured in concrete tanks. Very expressive aromas of black fruits (blackcurrant) and spices. Its velvety matter and its supple tannins fade on a persistent fruity final.
