ABOUT THIS WINERY

The southern vineyards of Cellier des Dauphins stretch from the southeast of the Rhone Valley to the foot of Mont Ventoux. On these sun-drenched terroirs, cradled by the Mistral wind, are cultivated the king grape varieties of the Côtes du Rhône such as Syrah, Grenache, Viognier and many others typical of the region. We make the most of this diversity to produce aromatic and complex wines.

PRODUCT NOTES

Pale and brilliant color with rose petal reflections. The palate reveals "thiolated" notes of citrus fruits such as grapefruit and exotic fruits. This rosé is distinguished by its freshness and its slightly acidic aromas of crunchy fruits. A remarkable balance, full-bodied, with a great length carried by a superb freshness. Thanks to its elegance and aromatic power, Val Soléu transports us to its sunny valley!
