ABOUT THIS WINERY

A family estate with character: two passionate women, mother & daughter, are at the head of this estate. The domain works in a tradition and a family continuity.

Authenticity & passion: the purity of the terroirs and the wines, the minerality and the sharing through tasting are key points.

Expertise & elegance: the excellence of the terroirs and the finesse of our muscadets have always been the key words.

PRODUCT NOTES

The robe of the wine is very intense for a muscadet. The wine has a golden color. The nose is fruity, very complex. The mouth is ample and structured. The minerality of the soil is present, but is very well balanced with the roundness of the wine. The aromas developed here are fruits and white flowers. The finish is buttery.

It is a great wine for keeping, perfectly balanced.
