ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

A dress that catches the eye with a bright ornament.

On the nose, scents of white flowers, the seaside countryside, but which remain discreet and very fresh.

The mouth is fresh and saline and does not lack depth. One finds aromas of lemon, citrus fruits and pineapple with a final on the acidity.
