ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

Translucent dark purple. The nose combines greediness and elegance, with black cherry jam, blackberry cream, incense and sweet spices.

The mouth is slender, while deploying a dense, velvety, enveloping matter, with tannins that reveal themselves.
