PRODUCT NOTES

The grapes are harvested from 4 to 10 am, in order to preserve their freshness and avoid any oxidation. Pressing, separation of the presses. Settling of the juice. Vinification at 16°C with selected yeasts. Racking and maturing on fine lees for 2 months. Intense yellow color with golden reflections. The nose is very greedy, with aromas of apricot and fresh almond. The mouth, in roundness, offers a nice fruitiness as well as a superb holding in mouth.
