ABOUT THIS WINERY

Our sustainable approach: A group of winemakers, actors in their environment. We take care to ask ourselves the right questions so that our work is in line with nature. And this at all levels. Our approach also includes the logic of short circuits, the energy transition of our buildings and our equipment. Committed, our winegrowers are all HVE (High Environmental Value) certified.

PRODUCT NOTES

Beautiful intense ruby color. Complex nose of very ripe black berries associated with spicy and slightly roasted notes. The palate is rich with elegant tannins. A highly aromatic Médoc wine which has the potential to open up in the five next years.
