ABOUT THIS WINERY

Our sustainable approach: A group of winemakers, actors in their environment. We take care to ask ourselves the right questions so that our work is in line with nature. And this at all levels. Our approach also includes the logic of short circuits, the energy transition of our buildings and our equipment. Committed, our winegrowers are all HVE (High Environmental Value) certified.

PRODUCT NOTES

Robe : a garnet purple robe

Nose : an expressive nose of blackcurrant and liquorice with some spicy notes.

Palate : a dense and well-structured wine that delights with its roundness.
