ABOUT THIS WINERY

Derrick Neleman, inspired by the land, tastes and lifestyle of Mediterranean Spain, created Bodegas Neleman to offer a range of organic-vegan-carbon neutral wines that reflect a strong belief: wine is a heady celebration of creativity, art, nature, time, delicious taste, and ecologically-sound thinking.

PRODUCT NOTES

As youngsters they greeted each other, the viura and the typically Valencian, unknown merseguera grape, and it clicked immediately! The two besties generate a super fresh, fruity and light white wine. Delicious with light dishes, made in our winery in Valencia and of course 100% organic and vegan, as you would expect from Neleman wine. After all, organic is better for people, animals and the planet. Now and in the future.
