ABOUT THIS WINERY

Derrick Neleman, inspired by the land, tastes and lifestyle of Mediterranean Spain, created Bodegas Neleman to offer a range of organic-vegan-carbon neutral wines that reflect a strong belief: wine is a heady celebration of creativity, art, nature, time, delicious taste, and ecologically-sound thinking.

PRODUCT NOTES

A ruby coloured wine with bright red berry fl avours. Smooth and round with a fine fruit balance.

PRODUCTION NOTES

A natural wine, where the key aspect is intervening as little as possible in both the vineyard and the winery. With the aim of letting the grapes do the talking and where the wine is purely fruit. The maceration process is short, only fi ve days, and static, with the minimum intervention and without plunging or pump overs. Subsequently, a manual devatting is carried out as well as a slight pressing. The malolactic fermentation takes place in a 12.000-litre vat.
