ABOUT THIS WINERY

We work mainly in Languedoc Roussillon but also in Bordeaux, Beaujolais and Burgundy.

We produce a range of wines that are all original, with a unique label and affordable price: simple but not simplistic wines. Wines with their own universe and their own history. To make, from the vine to the bottle, wines with a strong identity, with societal and environmental values, technical precision and personality.

PRODUCT NOTES

Les Darons means "the fathers", a cuvée that is representative of the Western Languedoc: the southernmost French vineyard, based essentially on Grenache planted on clay-limestone soils. This elegant red is fragrant with notes of sweet cherries and black raspberries + generous spices, candied violets and ground pepper. Elegant and silky in the mouth, with a beautiful purity, a frank and charming style.
