#### ABOUT THIS WINERY

This cry unites us, 500 winegrowers from both banks of the Gironde.

We are Tutiac and what unites us is life, wine, human diversity and our fraternal spirit of cooperation.

The millennia have patiently shaped our beautiful 5400 hectare terroir. It is one of the most beautiful, varied, nuanced, serene and amazing vineyards in the world!

#### PRODUCT NOTES

A harvest at full maturity of the grapes has allowed us to conduct vinification gently to magnify the expression of the fruit. Subtle aging with wood for 9 months and in stainless steel tanks. Beautiful garnet color. The nose is very expressive with black fruit aromas (blackberry and blackcurrant) associated with toasted and slightly vanilla notes. In the mouth, this wine is round and supple, with a good structure enhanced by delicate tannins.
